Everyone
and the kitchen
would stroke
the round backs
of seats.

Repeat
Romeo
and
Juliet

You tried
to talk!

Sorry!

Then

I'm
pretty
certain

Juliet's
role will be
played by
Suzanne
Leduc - 404

They took
the house,
the house

One

The 10
house

They

They picked
up over the
10th-grade

404

They
were
there

Oh no.

not you too,
sister!

Your
previous
complicity
was good.

Keep it
up with the
acting in
the lobby
room.

Then it goes
down out of
proportion.

It started
and just it
was gone.

Prince!

and she never
noticed how she
couldn't breathe
for the people
caught-up in it.

she can't stop
coming up with
new ideas and
trying them out.

Hey.

I thought
I might try
to get in to
the school.

Maybe
you know if
I can maybe

Maybe
you can
"try" to get
in "maybe"

Maybe
you can't
even get

to
get

would
you try
to get in
with me?

There's the
bookstore.

to
just
maybe

I just haven't
given it any
thought.

You're
already
putting
so much
thought
into your
future.

You're
reading,
Kuro-san.

What not

It just
popped into
my head.

It's just
that when I
decided to
join the
drama club.

It's not
that big
a deal,
you know.

I mean, I
might never
change. I'd
be such a
dreamer.

So I thought
I'd just see
if I could get
accepted.

But I
knew I'm
going to
try to per-
suade them
anyway.

I don't
know.

And
nobody was
against it.

I haven't
told them
anything
yet.

You really
are talking.

Then kids
can enjoy
summer
vacation.

Then we can
have fun so our
winter's coming.

That took
me by
surprise

Even I'm
a little
surprised

I never
thought you
would end up
playing a
lead role

I'm
sorry

But you
were really,
really
wonderful

I never
even asked
my dad

I was
relieved
that we
would be
separated

I couldn't
walk out
there with
you.

I always
looked up
to you

When you're
around, I feel like
I want to become
like you

I think I was
jealous of you,
when we sat down
together like this...

You
kind are
acting
spoiled

When you
are with
I'll respond
with "please
apologize"

What,
what?

Are
"Princesses"
just for
your kind?

When you
are with
me

Princesses,

give me
your hand

please don't
rethink the reason
why it was "no go"

Gladly,

My
prince.
